Are you thinking about listing your yacht or boat for sale?

Listing with **Curtis Stokes & Associates** means your boat is **SEEN BY THE MOST BUYERS**. Why? Because we will gladly work with other brokers, allowing them to show boats we have listed for sale and splitting the commission with them!

Many brokers are jumping on a trend where they will not split commissions with the buyer's broker. That means when you list your boat with them, only their direct customers are potential buyers. Listing with a broker who will not "cooperate" with other brokers means fewer potential buyers, longer time to sell, and ultimately, a lower sales price because of less competition.

If you're not sure whether a broker you're considering as a listing agent cooperates with other brokers, ask them about their co-brokerage policy! We welcome co-brokerage so, we sell your boat quicker and bring in more competing buyers. Contact me any time for more information about our co-brokerage policy, or details about listing your boat.

List with us and you are guaranteed to get maximum exposure to ALL potential buyers!
