WATERFRONT MARINE IS PROUD TO ANNOUNCE THAT WE ARE AN EVOTTI PONTON DEALER!

Please Ask Our Professional
Sales Staff For More Information!

Yes, a brand new name, but poised to be the greatest ever!

The back story here is that there was a pontoon company started 28 years ago. It was founded on the idea of building the best boats in the industry. This team achieved that, and then sold the company to a large multinational conglomerate to cash out.

None of them ever had to work again, but once they got tired of killing time on the golf course, and past their noncompete clauses, the thought occurred to them to "put the band back together" and start the next greatest pontoon company.

And here we are.

But with all the advantages, an all new manufacturing plant, state of the art new manufacturing tools and equipment, connections & relationships already in place, along with the same old customer service philosophy and warranties that made them a legend. Their skin is in the game and this team is ready to rock and roll.

THIS IS THE NEXT EVOLUTION IN THE BOAT BUSINESS!

FOR IMMEDIATE RELEASE

D&R Boats of Green Brook, NJ Acquires East Dover Marina in Toms River, Expanding Its Presence in the Marine Industry

Green Brook, NJ — December 12, 2025 — D&R Boats, New Jersey's longest-established and most trusted family-owned and operated marine dealerships, is proud to announce the acquisition of **East Dover Marina**, a well-known full-service waterfront facility located in Toms River, NJ. This strategic expansion strengthens D&R Boats' footprint in the state's thriving marine industry and enhances its ability to serve boaters across the region.

With this purchase, D&R Boats adds a premier marina operation to its portfolio, expanding services beyond sales and maintenance to include dockage, storage, waterfront amenities, and direct access to the Barnegat Bay. As part of this transition, **D&R Boats will also be representing Sea-Doo personal watercraft at the East Dover Marina location**, offering expanded product options and support for PWC enthusiasts at the Jersey Shore.

D&R Boats will **continue its long-standing representation of leading boat brands**, including **Steigercraft, Robalo, Crownline, Navan, World Cat, and Finseeker**, ensuring customers have access to a wide range of high-quality vessels backed by expert service and support.

"This acquisition marks an exciting new chapter for D&R Boats," said Robert Barone Owner of D&R Boats]. "East Dover Marina has a long-standing reputation in the Toms River community, and we are committed to investing in the property, enhancing customer services, and building on its legacy. Adding Sea-Doo personal watercraft and expanding our reach with our existing brands strengthens our ability to meet the needs of boaters throughout the region."

Founded in 1956, and at its 4th generation of the Barone family ownership D&R Boats has served generations of boaters with top-tier brands, expert service, and strong customer relationships. The expansion into Toms River reflects the company's continued commitment to growth and innovation while maintaining the family-owned values that have defined it for nearly seven decades.

D&R Boats plans to maintain operations at East Dover Marina throughout the transition and will announce additional improvements, product offerings, and service enhancements in the coming months.

For more information about D&R Boats and updates on the East Dover Marina expansion, please visit their website at www.dnrboatworld.com
