WATERFRONT MARINE IS PROUD TO ANNOUNCE THAT WE ARE AN EVOTTI PONTON DEALER!

**Please Ask Our Professional
Sales Staff For More Information!**

Yes, a brand new name, but poised to be the greatest ever!

The back story here is that there was a pontoon company started 28 years ago. It was founded on the idea of building the best boats in the industry. This team achieved that, and then sold the company to a large multinational conglomerate to cash out.

None of them ever had to work again, but once they got tired of killing time on the golf course, and past their noncompete clauses, the thought occurred to them to "put the band back together" and start the next greatest pontoon company.

And here we are.

But with all the advantages, an all new manufacturing plant, state of the art new manufacturing tools and equipment, connections & relationships already in place, along with the same old customer service philosophy and warranties that made them a legend. Their skin is in the game and this team is ready to rock and roll.

THIS IS THE NEXT EVOLUTION IN THE BOAT BUSINESS!

To our valued Customers, Neighbors, and Friends,

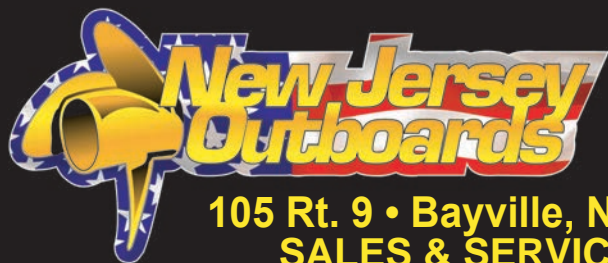

After 62 memorable years, our family has come to a bittersweet decision to retire from the business.

This marina has been a centerpiece in our lives through generations. Building and growing the business alongside the community has been the honor of a lifetime. We couldn't thank you enough for the memories we shared: both serving and working alongside you.

Although we are stepping away, the marina will remain, but with new owners at the helm. D&R Boats will take over the business in our absence, with the same friendly environment and excellent service.

We thank you for your loyalty to the family business. We would work 62 years again (if we could) if it meant making new memories. We truly couldn't have done it without the support and help of our friends along the way. It is hard for us to imagine our world without the marina.

With heartfelt gratitude,
Rick and Valerie Weitzel.
