*Estimated APR based on 20 year term; fixed rate. Subject to credit approval and other issues. Certain fees, closing costs, and restrictions may apply. APR applied to the loan is the APR in effect on the date your application is received and is valid for 30 days. Minimum loan amount for pleasure use is \$10,000. Other rates with different loan terms are available. Example of a refinance recreational use boat loan: A \$100,000 loan (includes a \$399 processing fee) for 20 years with a fixed interest rate of 4.25% would have an APR of 4.295 % and 240 monthly payments of \$621.67. This is only an example and the APR and processing fee may differ for your specific transaction. JJ Best & Company and JJ Best Banc & Company are affiliated companies.
