The Municipal Marina

at CARTERET WATERFRONT PARK

The Borough of Carteret is now offering registration for slips at the Carteret Municipal Marina, which just opened this past spring. The Marina, located along the Arthur Kill River at Carteret's beautiful Waterfront Park, 200 Middlesex Avenue, features 185 slips, 38,000 square feet of floating docks, gas and diesel fueling stations, sanitary pump out, deepwater port, and a 17-foot draft.

Slips are offered at competitive pricing - the lowest along the channel in the region. Carteret residents are offered even lower rates. Slip contracts and registration are available online at Carteret.net/Marina, for seasonal, annual, or short-term rentals.

- Nestled along the Arthur Kill, adjacent to Staten Island with immediate access to the Raritan Bay, Upper & Lower Bays, and Sandy Hook, protected in a man-made cove
- Less than 20 miles from Staten Island marinas, under 10 miles from the Raritan Bay
- Less than 30 miles from Manhattan, Long Island, and key points along the Jersey Shore
- Private restrooms & parking for slip holders
- Steel piles, concrete floating docks, and state of the art marina design for boat safety
- Complementary dock boxes
- Electric available
- Year-round wet storage
- Minutes from Carteret's Arts and Dining District

I was extremely impressed with the professionalism of the Clarks Landing NJ sales team. I was able to find the boat I was looking for and at a great deal! Even after the closing of my new boat, I was happy to have the staff at Clarks Landing list my other boat. They sold my boat in one week! I will only use Clarks Landing for any future boat sales or purchases.
