Are you thinking about listing your yacht or boat for sale?

At Curtis Stokes & Associates, **WE COOPERATE WITH ALL BROKERS** on our listings, not just our direct buyers.

Some yacht brokers no longer cooperate with other brokers. If you list your yacht or boat with one of these brokers, you will possibly miss one of the many potential buyers for your yacht or boat who are working with a buyer broker. While these brokers are trying to maximize their profit, you are possibly missing potential buyers for your yacht or boat.

If you aren't sure whether or not a broker cooperates with other brokers, contact me directly anytime and I will tell you that broker's co-brokerage policy. Remember, not available for co-brokerage means it could take longer to sell your boat and you might not get the highest possible price, whereas available for co-brokerage means your boat will probably sell quicker and have more competing buyers.

*List with us and you are guaranteed to get
maximum exposure to ALL potential buyers!*
